SUBJECT: CID REPORT OF INVESTIGATION - 3D SUPPLEMENTAL / SSI - 0210-2004-
CID259-80245 - 5C2B/5Y2E

On 13 Jul 04, this investigation was initiated based upon receipt of Request for Investigation (RFI), 0330-04-CID001, from the U. S. Army Criminal Investigation Command (USACIDC), Fort Belvoir, VA, reporting during the review of several interrogation reports, it was discovered [REDACTED] claimed he had been "beaten" by an unidentified individual during an interrogation. [REDACTED] had been released from U. S. Custody prior to the initiation of this investigation. b6-4, b7c-4

Investigation indicated, based on the allegation discovered in the interrogation report, persons unknown committed the offenses of Assault and Cruelty and Maltreatment when they "beat" [REDACTED] while he was detained by Coalition Forces (CF) during Operation Iraqi Freedom I. This investigation failed to produce any viable subjects due to the release of [REDACTED] prior to the initiation of this investigation. There was insufficient detail contained in his allegation to logically identify who assaulted him or even where or when he was assaulted. Further, interviews of members of the capturing unit revealed none of the soldiers involved witnessed anyone abuse [REDACTED]. However, a subsequent review of [REDACTED] interrogation reports revealed during one of his interrogations, he was interrogated by CW3 [REDACTED], 66th Military Intelligence Company, Fort Carson, CO, who is currently pending Courts Martial Action for the offense of Involuntary Manslaughter for his actions involving another detainee. Although this is not evidence the allegation in this investigation occurred, it does provide sufficient credible information to believe there were possible abuses occurring during CW3 [REDACTED] interrogations. [REDACTED] was released on 3 Jan 04 and could not be located for interview. b6-4, b7c-4

On 5 Mar 05, this office received information from the Operations Officer, 11th Military Police Battalion (CID), Camp Victory, Baghdad, IZ APO AE 09342, reporting receipt of Request for Correction (RFC), 0139-05-CID001, from HQUSACIDC, Fort Belvoir, VA, which revealed the necessity for additional administrative and investigative activities.

Investigation did not develop sufficient evidence to prove or disprove [REDACTED] allegation he was abused by persons unknown. Attempts were made to locate and review any medical documents in the detainee file of [REDACTED] which may have substantiated [REDACTED] allegations. These attempts did not reveal any medical documentation pertaining to [REDACTED]. It is not known if such medical documentation ever existed or not. Additional interviews of possible interrogators and apprehension team members of [REDACTED] did not reveal any evidence of abuse nor did they prove the abuse did not occur as alleged. Further investigation did not diminish the integrity or credibility of [REDACTED] allegation.

6. INVESTIGATIVE SUMMARY:

THE INFORMATION IN THIS REPORT IS BASED UPON AN ALLEGATION OR PRELIMINARY INVESTIGATION AND MAY CHANGE PRIOR TO THE COMPLETION OF THE INVESTIGATION.

THIS IS AN "OPERATION IRAQI FREEDOM" INVESTIGATION.

2ND SUPPLEMENTAL:

THIS SUPPLEMENTAL REPORT IS BEING SUBMITTED TO REOPEN THIS INVESTIGATION IN ORDER TO CONDUCT ADDITIONAL INVESTIGATIVE ACTIVITY AND PROVIDE ADDITIONAL DOCUMENTATION OF ACTIVITY ALREADY CONDUCTED.

ON 5 MAR 05, THIS OFFICE RECEIVED INFORMATION FROM THE OPERATIONS OFFICER, 11TH MILITARY POLICE BATTALION (CID) (FWD), CAMP VICTORY, IZ, REPORTING RECEIPT OF REQUEST FOR CORRECTION (RFC) (0139-05-CID001) FROM UNITED STATES ARMY CRIMINAL INVESTIGATION COMMAND (USACIDC), WHICH REVEALED THE NECESSITY FOR ADDITIONAL ADMINISTRATIVE AND INVESTIGATIVE ACTIVITIES.

INVESTIGATION CONTINUES BY USACIDC.

FINAL REPORT:

ON 13 JUL 04, THIS INVESTIGATION WAS INITIATED BASED UPON RECEIPT OF REQUEST FOR INVESTIGATION (RFI) (0330-04-CID001) FROM THE U.S. ARMY CRIMINAL INVESTIGATION COMMAND, FORT BELVOIR, VA REPORTING DURING THE REVIEW OF SEVERAL INTERROGATION REPORTS, IT WAS DISCOVERED MR. [REDACTED] CLAIMED HE HAD BEEN "BEATEN" BY b6-4, b7c-4 AN UNIDENTIFIED INDIVIDUAL DURING AN INTERROGATION. MR. [REDACTED] b6-4, b7c-4 HAD BEEN RELEASED FROM U.S. CUSTODY PRIOR TO THE INITIATION OF THIS INVESTIGATION.

INVESTIGATION INDICATES, BASED ON THE ALLEGATION DISCOVERED IN THE INTERROGATION REPORT, PERSONS UNKNOWN COMMITTED THE OFFENSES OF ASSAULT AND CRUELTY AND MALTREATMENT WHEN THEY "BEAT" MR. [REDACTED] WHILE HE WAS DETAINED BY COALITION FORCES. b6-4, b7c-4

DURING OPERATION IRAQI FREEDOM I. THIS INVESTIGATION FAILED TO PRODUCE ANY VIABLE SUBJECTS DUE TO THE RELEASE OF MR. [REDACTED] b6-4, b7c-4 PRIOR TO THE INITIATION OF THIS INVESTIGATION. THERE WAS INSUFFICIENT DETAIL CONTAINED IN HIS ALLEGATION TO LOGICALLY IDENTIFY WHO ASSAULTED HIM OR EVEN WHERE OR WHEN HE WAS ASSAULTED. FURTHER, INTERVIEWS OF MEMBERS OF THE CAPTURING UNIT REVEALED NONE OF THE SOLDIERS INVOLVED WITNESSED ANYONE ABUSE MR. [REDACTED] HOWEVER, A SUBSEQUENT REVIEW OF MR. [REDACTED] b6-4, b7c-4 INTERROGATION REPORTS REVEALED DURING ONE OF HIS b6-4, b7c-4 INTERROGATIONS, HE WAS INTERROGATED BY CW3 [REDACTED] b6-1, b7c-1 [REDACTED] 66TH MILITARY INTELLIGENCE COMPANY, FORT CARSON, CO, b6-1, b7c-1 WHO IS CURRENTLY PENDING COURTS MARTIAL ACTION FOR THE OFFENSE OF INVOLUNTARY MANSLAUGHTER FOR HIS ACTIONS INVOLVING ANOTHER DETAINEE. ALTHOUGH THIS IS NOT EVIDENCE THE ALLEGATION IN THIS INVESTIGATION OCCURRED, IT DOES PROVIDE SUFFICIENT CREDITABLE INFORMATION TO BELIEVE THERE WERE POSSIBLE ABUSES OCCURRING DURING CW3 [REDACTED] b6-1, b7c-1 INTERROGATIONS. MR. [REDACTED] WAS RELEASED ON 3 JAN 04 AND COULD b6-4, b7c-4 NOT BE LOCATED FOR INTERVIEW.

7. COMMANDERS ARE REMINDED OF THE PROVISIONS OF AR 600-8-2 PERTAINING TO SUSPENSION OF FAVORABLE PERSONNEL ACTIONS AND AR 380-67 FOR THE SUSPENSION OF SECURITY CLEARANCES OF PERSONS UNDER INVESTIGATION.

8. CID REPORTS ARE EXEMPT FROM AUTOMATIC TERMINATION OF PROTECTIVE MARKING IN ACCORDANCE WITH CHAPTERS 3, AR 25-55.

 [REDACTED] WANT TO MAKE THE FOLLOWING STATEMENT UNDER OATH:

I was deployed in support of Operation Iraqi Freedom in Iraq, and I was assigned with B Troop, 1st Squadron (Sdrn), 3d Armored Cavalry Regiment (ACR), Fort Carson, CO. I was the Platoon SGT with 1st platoon and we were tasked to conduct combat patrol, and security missions attached OGA and ODA. I was also the commander of my Bradley fighting vehicle, during these missions. As part of our duties during these missions, we would transport the OGA and ODA agents in the back of the Bradley conducting cordon searches. During these searches we would be looking for insurgents, Al-Qadia, Baath Party Loyalists, or anyone that was anti-coalition. Once we have identified some of these insurgents, we would stop the Bradley and the OGA and ODA agents would exit and detain them. Then they would put them in the back of the Bradley and then we would go the boarder checkpoint so that they could be interrogated by the agents. We also did some surveillance missions and raids [REDACTED] b6-4, b7c-4

Q: SA [REDACTED] b6-4, b7c-4
 A: SSG [REDACTED] b6-4, b7c-4

Q: During these missions you and your team conducted with OGA and ODA, did you or any other members of your team conduct any interrogations or question any of the detainees?

A: No, we did not. The OGA and ODA agents did.

Q: Were you present during any of the interrogations or questioning of the detainees?

A: Sometimes the OGA and ODA would conduct interrogations right in front of us.

Q: During these missions or interrogations, did you witness any of the detainees being abused or mistreated?

A: No.

Q: Did any of your team members inform you that they witnessed any of the detainees being abused?

A: No.

Q: Did you have any Military Intelligence agents or soldiers attached to you and your team at any time during your deployment?

A: Yes.

Q: Where they used as interrogators? If not, what was their role?

A: Yes, they were. They were American soldiers that was also used as interpreters.

Q: Did you witness any of the MI soldiers, interrogate any of the detainees?

A: No, the only thing I seen them do was act as interpreters.

Q: Do you remember detaining anyone on 8 Oct 03?

A: No, I do not. We conducted several missions over there during my deployment. It was a daily occurrence. We captured a lot of detainees during our missions, with and without the OGA and ODA agents.

Q: Do you remember an Iraqi detainee with the name Mr [REDACTED] or [REDACTED] b6-4, b7c-4

A: No.

Q: Do you remember the names of any of the OGA or ODA agents?

A: I only know a few of their first names that they told me. I can only remember the names [REDACTED] and [REDACTED] right now because it was about six months ago. I don't know if they were OGA or ODA. b6-4, b7c-4

Q: Explain to me the procedures on what you did once a detainee was captured.

A: We would take them to the boarder checkpoint that was on the boarder of Iraq and Syria in the city of Husabyah, Iraq. Or we would take them to the Forward Operating Base (FOB) Tiger, which was located in the Al-Kahim Region of Iraq. Then I would hand them off to who ever was on guard at the facility, where there was cavalry soldiers running the facility. Then we would, fill out the Coalition Provisional Authority Forces Apprehension Form and write a sworn statement detailing how the detainee got captured. If something significant occurred during the process of the capture, it would be detailed in the sworn statement. In this case, it looks like he was sent to FOB Tiger, Iraqi. Again, I don't remember this incident where he was captured.

Q: Is there anything else you would like to add to this statement concerning this investigation?

BASIS FOR RE-INVESTIGATION: About 0900, 18 Feb 05, this office and 11th MP Battalion (CID) Operations Officer, Camp Victory, Iraq conducted a review of this investigation to ensure the administrative and investigative requirements were met within the provisions of CID Regulation 195-1 and CID Operational Directives. It was decided to reopen this investigation, conduct a thorough review of this investigation and determine if the investigative summary supported the listed offense and justified the listing of those offenses as "insufficient evidence".

SUMMARY OF SIGNIFIGANT EVENTS: About 0900, 19 Feb 05, the undersigned conducted a thorough review of this investigation and determined there was very little evidence either way to determined what exactly happened. The detainee claimed he was abused during an interrogation; however, all subsequent interviews failed to determine if the abuse occurred. Further, there was not evidence obtained or identified to dispute the original allegation. It was discovered one of the interrogators involved in the interrogations of the detainee was CW3 [REDACTED] 66th Military Intelligence Company, Fort Carson, CO who is currently pending Courts Martial Action for the offense of Involuntary Manslaughter for his actions involving another detainee. Although this is not evidence the allegation in this investigation occurred, it does provide sufficient creditable information to believe there were possible abuses occurring during CW3 [REDACTED] interrogations. The review indicates the investigation does not support listing the offenses as "Insufficient Evidence" rather, indicates the offense could have occurred as alleged and should therefore list the offenses as "Founded". A review of the case file and Report of Investigation completed on 26 Nov 04 (original maintained in the files of the USACRC), revealed the following documentation/testimony to supporting this conclusion.

- Exhibit 4: AIR of SA [REDACTED] dated 13 Aug 04, indicates attempts to interview CW3 [REDACTED] were unsuccessful due to him being represented by legal counsel for CID Investigation 0027-03-CID679-64999.
- Exhibit 9 : Sworn Statement of SFC [REDACTED] indicates, during his interview by USACIDC Agents, when asked if he witnessed any abuses of detainee during his tour of duty as an interpreter, he declined to answer any additional question without consulting with an attorney.

DETAILS

Although the involvement of CW3 [redacted] ^{b6-4, b7c-4} in the interrogation of this detainee does not provide evidence the offense occurred, given the present fact set and circumstances, this investigation should be changed to founded as there was no evidence discovered to indicate the offenses did not occur.

Further, during a review of the original case file, it was discovered the interrogation reports and Article 78 Board Review Decision Packet was not included as exhibits in the original report of investigation. The Board Decision packet contains the copies of the original apprehension packet and states from the apprehending unit. Further, the interrogation reports clearly identify CW3 [redacted] as one of the interrogators for this detainee. These exhibits are being ^{b6-4, b7c-4} added to the final supplemental report generated to document these findings.

All efforts to locate and interview Mr. [redacted] ^{b6-4, b7c-4} were unsuccessful as he was released from U.S. Custody on 3 Jan 04, (prior to the discovery of the allegation) and there was no information provided in his detainee file that would aid in contacting him.

About 1100, 19 Feb 05, the undersigned coordinated with SA [redacted] ^{b6-1, b7c-1} Detachment Commander, 48th MP Detachment (CID) and SA [redacted], Operations Officer, 11th MP ^{b6-1, b7c-1} Battalion (CID), who reviewed and agreed with the conclusions of this review.

About 1200, 19 Feb 05, the undersigned prepared and transmitted a Supplemental Final Report of Investigation documenting the above findings and changing the listed offenses from "Insufficient Evidence" back to "Founded", and adding the additional documents from the case file. ///LAST ENTRY///

 About 1840, 09 Jul 05, the undersigned and SA [REDACTED] Detachment Commander and Special Agent in Charge (SAC), this office, reviewed the Detainee Assessment Task Force (DATF) Case Finding Statement, which addressed several areas of consideration when this case was reviewed. Addressed by the DATF Review, identified as #2 under Findings of DATF Review, was the observation no attempt had been made to coordinate with SFC [REDACTED] attorney to have SFC [REDACTED] re-interviewed. On 24 Jun 05, a review of 0211-04-CID259-80246 by the undersigned with SA [REDACTED] this office, revealed on 17 Dec 04 a memorandum was submitted to CPT [REDACTED] Trial Defense Services (TDS), Office of the Staff Judge Advocate (SJA), Presidio of Monterey, CA, by SA [REDACTED], with questions for SFC [REDACTED]. A memorandum from SFC [REDACTED], dated 04 Jan 05, detailed SFC [REDACTED] was deployed in support of Operation Iraqi Freedom (OIF) from approximately April 2003 to March 2004. The memorandum from SFC [REDACTED] further details he supported the 3rd Armored Cavalry Regiment (ACR) as a translator in an area which encompassed the entire Al Anbar Province. SFC [REDACTED] memo further stated no other information would be provided due to the ongoing investigation. Contact information for CPT [REDACTED] was listed as: [REDACTED]@monterey.army.mil, or [REDACTED]. Obtained copies of the documents contained in 0211-04-CID259-80246 pertaining to the re-interview of SF [REDACTED] and placed in case file. (See Non-waiver Certificate memorandum from SA [REDACTED] and memorandum from SFC [REDACTED] for details)

The DATF Case Finding Statement further addressed an RFA submitted to Fort Lewis to interview SSG [REDACTED] included a photograph of a detainee which was not the victim in this case. Fort Lewis forwarded the RFA to Fort Irwin after it was determined [REDACTED] was assigned to Fort Irwin. When an agent with CID interviewed [REDACTED] stated he did not recognize the alleged victim. Further, DATF feels the incorrect photo was included with RFAs sent to Aberdeen Proving Ground and Monterey. After a review of the information reports and enclosures received from Fort Irwin, it was determined [REDACTED] was a member of the apprehending unit. [REDACTED] alleges his abuse occurred during an interrogation; therefore, [REDACTED] being unable to identify [REDACTED] due to the incorrect photograph being submitted will not affect the outcome of this investigation. ///LAST ENTRY///

AGENTS NOTE: The security situation in Iraq is not such that CID Agents could travel into the cities or villages without severe risk of life and limb. This is due in large part to the prevalence of Improvised Explosive Devices (IED), Vehicle Born IED (VBIED), kidnappings, assassinations and other hazards of combat in the area. As CID lacks the resources to support a mission organically, it would be required to obtain outside support from other units. Our risk analysis demonstrates it does not merit taking that chance, based on the slim possibility that could be found with the information given. Therefore, CID agents will NOT attempt to travel off the secured installations in the vain hopes of finding [REDACTED] b6-4, b7c-4

During the initial interview of SFC [REDACTED], he mentioned a detention facility which was located at Riffles Base. This detention facility was believed to also be known as Kilometer 22, and was suspected to be operated by 3rd ACR during Operation Rifles Blitz, Operation Iraqi Freedom 2003-2004. It is possible this is where [REDACTED] was initially held and interrogated. However, it is believed this detention facility no longer exists; therefore, any documentation which might have been maintained at this facility was unable to be located. Efforts to locate the documentation at the units responsible for the detention facility met with negative results. b6-4, b7c-4

CPT [REDACTED] opined probable cause could not be established to believe the offenses of Assault and Cruelty and Maltreatment occurred or did not occur as alleged; therefore, the offenses were to be insufficient.///LAST ENTRY/// b6-4, b7c-4

During a case review it was noted the information report from ABU dated 21 JUL 04, received by SA [REDACTED] had incorrect information concerning Detainee ISN [REDACTED]. SA [REDACTED] had sent the medical and detainee records for ISN [REDACTED] to include BATS print out which were incorrect.

I just noticed the discrepancy today. I had sent the photograph of ISN [REDACTED] in the RFA's we sent out to Carson, Monterey, Lewis and Aberdeen. The Lewis RFA had been forwarded to RWIM. The Aberdeen RFA could not locate the person which had to be interviewed.

SAC: Rev'd. Noted/complete the following:

1. Rev'd and transmitted 2nd Status. Posted same to case file.
2. Noted agent's comment above ref wrong info received from Abu, which was subsequently used in RFAs.
3. The RFAs may have to be re-sent. Review each statement/AIR from the providing office and determine what info was provided during the interview.

66-1,67C-1

Note: Info from Ft. Carson - CW3 [redacted] invoked but later returned and stated he did not abuse anyone in civilian cloths. SGT [redacted] stated he had no knowledge of detainee abuse. In this instance, it does not appear that re-sending the RFA would make a difference, unless they recognized the detainee photo, which would have been the wrong one.

REVIEW OF ROI 0210-04-CID259-80245 (ASSAULT/CRUELTY & MALTREATMENT - IRAQ)

Findings:

1. The investigation documents a complaint and there is little evidence either way to determine what happened (if anything). However, [REDACTED] as identified in Exhibits 3 & 4) was titled for the Involuntary Manslaughter of another detainee (as documented in CID ROI #0027-03-CID679-64999). *66-4,670-4*

On 9 Aug 04, [REDACTED] was advised of his rights and invoked (although Fort Carson RA did not provide a DA Form 3881). Additionally, on 30 Aug 04, SFC [REDACTED] was interviewed as a witness, but halfway through his statement, requested a lawyer, when asked if he had "ever witness any type of abuse during interrogations" he requested counsel. *66-4,670-4*

The investigation hinges on the lack of proof of injury, versus the presence of at least one known suspect who abused and murdered another detainee. Given the present fact set and circumstances, this investigation should have been left founded, giving the benefit of the doubt to the complainant given the prior conduct of the interrogators involved.

2. The Final Report did not include the classified exhibits contained within the case file. These documents are key to fully understanding the detainee's complaint and the circumstances of his capture. It also demonstrates the interaction of [REDACTED] with the victim, providing the circumstances which provide the justification for "founded" offenses. *66-4,670-4*

Recommendation: Complete a 1st Supplemental, changing the offenses to "founded", rewriting the INV [REDACTED] to document the reason for the change. Add the classified exhibits to the attached items, classifying the entire report and complete the portion marking of the report in the FSU. *66-1,670-1*

**DETAINEE ASSESSMENT TASK FORCE
CASE FINDING STATEMENT**

Date Reviewed: 3 Mar 05

Reviewer: [REDACTED]

66-3,670-3

Case number: 0210-04-CID259-80245

Offense: Assault / Cruelty and Maltreatment

Status: Closed as a Final (C) on 26 Nov 04; Final Supplemental on 19 Feb 05

FINDINGS OF DATE REVIEW:

1. The investigation got off to a good start. The detainee claimed he was interrogated and beaten by individuals speaking English and wearing civilian clothes. Several soldiers from the capturing unit (CPT [REDACTED], SSG [REDACTED], SFC [REDACTED] and SFC [REDACTED] stated that 5th SFG, OGA (Other Government Agencies) and ODA (Other Defense Agencies) personnel wearing civilian clothing interviewed some of the detainees that they captured.

66-4,670-4

2. When questioned if he witnessed any abuse during interrogations, SFC [REDACTED] essentially acknowledged that he did see abuse of detainees when he stated he could not answer the question until advised by his attorney. We coordinated with SFC [REDACTED] attorney, who requested that we coordinate with him to arrange any future interviews of SFC [REDACTED]. Nothing documented to indicate that we ever attempted to re-interview SFC [REDACTED] or follow up on this issue.

66-4,670-4

66-4,670-4

66-4,670-4

3. Although the case agent recommended closing the case as a Final (C) since they had no identified to interview in 5th SFG, there was no indication that we ever coordinated with 5th SFG, OGA or ODA to determine if they were involved in interrogating this detainee.

4. Although it may not have affected the outcome, the RFA to Ft Lewis to interview [REDACTED] included a photograph of detainee who was NOT the victim in this case. Enclosure 3 to the RFA was a photograph of Detainee [REDACTED]. The victim in this case is Detainee [REDACTED]. Ft Lewis forwarded the RFA to Ft Irwin after determining [REDACTED] was assigned to Fort Irwin. This could explain why [REDACTED] did not recognize the alleged victim (See AAS entry 31 Aug 04). It is likely that the incorrect image was also included with the RFAs sent to Aberdeen Proving Ground and Monterey. NOTE: This finding was based on a review of Ft Irwin's RFA case file, which included a copy of the aforementioned photograph of Detainee [REDACTED].

66-4,670-4

66-4,670-4

The Final Supplemental highlights the fact that [REDACTED] was a likely suspect for abusing this detainee, based on 1) the fact that he interviewed this detainee and 2) his involvement in the death of GEN [REDACTED] (CID ROI 0027-03-CID679). While this was a good potential lead at the time, it does not appear to be a viable lead since there is no evidence that [REDACTED] was the person wearing civilian clothing as described.

by the victim. Under the advice of his attorney, [REDACTED] also made a spontaneous statement that he "never interrogated anyone at anytime in civilian clothing". There was nothing documented in the case to indicate [REDACTED] coworkers were interviewed to verify or refute [REDACTED] claim that he did not wear civilian clothing during interrogations. Regardless, the focus of the investigation should remain on OGA and ODA personnel, since we have testimonial evidence that they definitely wore civilian clothing during interrogations. SFC [REDACTED] stated, "During operation rifles blitz, a detention facility was set up in the field for detainees. At that sight (sic) OGA individuals would show up to interview some detainees." This detention facility may be the location where the alleged abuse occurred and following up on the organizations involved in Operation Rifles Blitz may be a viable lead.

Admin. The ROI lists the DATE/TIME/LOCATION as "Unknown Date/Time, Iraq"; however, based on the date of capture and the date of the interrogation report detailing the detainee's allegation of abuse, the DATE/TIME can be established as 8 Oct 03 - 17 Nov 03.

VICTIM

Admin. The SUBJECT block lists the detainee's date of Capture as 8 Oct 04. The correct date was 8 Oct 03. The same date error was also present in the timeline in SA [REDACTED] AAS entry on 27 Jul 04, which include several inaccurate references to events occurring in 2004.

This is Agent [redacted] and per our phone conversation I am contacting you in attempt to locate a Unit/UIC *b6-1, b7c-1* here in theater. Furthermore, since our office was moved to camp Slayer, I have not been able to access the website to locate Unit Names via UIC. First, can you attempt to identify what unit is W0DA00 or W0DAG8, and provide that information to me? I would also appreciate it if you could tell me where the company is located, if possible. Secondly, could you assist my office in accessing this web based unit locator? Any assistance you can provide is greatly appreciated. If you have any questions please call or email me. Thank you for your time and assistance.

Mr [redacted] b6-4, b7c-4
Please close out the RFA. We checked the ISONET Insurance Data base and Centralized Operating Police Site (COPS) along with the other usual sites and could not come up with any other addresses for him. Thanks for trying.

Take care,

My name is [redacted] and I am forwarding a Category I Request for Assistance, 0210-04-CID259-80245, in reference to an ongoing investigation of abuse alleged by a detainee. I am requesting your office coordinate with the Headquarters (HQ), 5th Special Forces Group (SFG) in order to determine which teams were working with 1st Squadron, 3rd Armored Cavalry Regiment (1/3 ACR) from June 2003 to March 2004. We are attempting to locate the interrogators and interpreters that participated in the interrogations of our victim, but the victim was released prior to being interviewed by CID. There were no specific allegations of abuse made or any description of the persons which allegedly abused him. I have enclosed the RFA with some statements detailing only 5th SFG and Other Defense Agencies (ODA) or Other Government Agencies (OGA) wore civilian clothing during interrogations. If you have any questions, feel free to contact me.
